Re: *Thomson Reuters Enterprise Centre GmbH, et al. v. ROSS Intelligence Inc.,*
C.A. No. 20-613 (SB) (D. Del.)

Dear Judge Bibas,

As requested at the discovery conference on March 28, I write to provide an update on the parties' efforts to resolve the source code issues discussed with the Court.

The parties have conferred on a proposed stipulation related to Plaintiffs' source code but have been unable to reach agreement about the scope of any such stipulation. In view of that impasse, Plaintiffs will make the relevant source code available for inspection consistent with the Protective Order entered in this case.

Respectfully,

Michael Flynn (# 5333)

MJF/rah
